

## **BHA Squirts Win GSL Final**

Springfield, MA –

Greg DiSilva just got better and better through the playoffs. The Hawks Squirt goalie allowed just 12 goals through five games and finished with a shutout as Brattleboro downed the Franklin County team 5-0 for the GSL Squirt South Division Championship. The win capped a perfect run to the Falcons Cup for the Hawks, who went 5-0-0 in the round-robin playoff before taking the championship.

Defense was again the story of the game. All of Brattleboro's goals were created off defensive plays in their own end that resulted in outlet passes to players who were able to carry through center ice with speed. Franklin County's goaltender Noah Foster-Marquis was seldom without defensive support, but in the end the green team was unable to contain the Hawks' top line of Vincent DiSilva, Peter-Owen Hayward, and Cam Wright. The line combined for ten points in the game, with Wright posting a hat trick and DiSilva three assists.

Brattleboro spent most of the scoreless first period in their own end as FCHA kept their danger men Dominic Senerichia, Cody Booska, and Bradley Bousquet on the ice for big minutes. DiSilva was tested with screen shots several times in the period but made every stop.

The game seemed to take off a minute into the second period when defenseman Cooper Turner-Renaud broke up a play and made a smart pass to Wright, who carried the puck through two defenders and scored on a low-angle shot. The goal turned out to be the game-winner as DiSilva clamped down, covered his angles well, and anticipated shots for the rest of the game. Booska was able to beat him just once, but hit the near post and the tight Hawks defense cleared it out of danger.

The Greater Springfield League plays its championship games at the Mass Mutual Center, home of the Springfield Falcons AHL team. Brattleboro had an added thrill going into the final as the team with the best record, earning them the right to wear the home team colors and to use the Falcons' home locker room. The team wraps up a long season with a formal presentation at the Falcons game on April 13<sup>th</sup> and the annual BHA banquet on April 30<sup>th</sup>.

Brattleboro Hockey Association welcomes new players year-round and has already begun early registration for next fall. Interested boys and girls can learn all about the program by visiting the BHA website at [www.brattleborohockey.org](http://www.brattleborohockey.org).
