

To fellow Coaches, Schedulers, Board Members, Family and Friends,

Greetings from West Bay Islanders Youth Hockey in West Warwick, Rhode Island!

This October, during Columbus Day weekend, we plan to hold a Girls tournament with Breast Cancer Awareness Month in mind.

The "***Fight Like a Girl***" Tournament
Is
***A Tournament to Raise Funds and Awareness
For the
Fight Against Breast Cancer.***

Donations will be made to local Women's Oncology departments and also will go towards Breast Cancer Research.

As we currently still have openings in all divisions of Girls hockey, please pass on the word of our good cause and let other coaches and schedulers in your leagues and leagues in your area know! We will be contacting teams of ALL levels in ALL states. This will be a fun and competitive weekend for all involved!

**There will be much more information soon to come on our website
www.westbayislanders.com
and hope that you would consider signing up for our
waiting list.**

To sign up for the waiting list or to forward your contact information and interest - please contact:

Lauren Kauffman at kauffmanlauren@yahoo.com

We look forward to hearing from you and hopefully you will bring your teams to participate in a great cause we will see you in October!!

Please note: We also hold two annual Boys tournaments each season, an A level Tournament over Thanksgiving Break and a B level Tournament during February School Break. If you have any teams that may be interested, please feel free, again, to contact Stephen Boyle or Lauren Kauffman.
